MEETING AGENDA
North Community Working Group

Wed., April 22nd, 2015 8:45 AM – 4:45 PM
At Indian River State College, Chastain Campus
Wolf High-Technology Center, Johnson Auditorium
2400 SE Salerno Road Stuart, FL 34997

~ Meeting Objectives ~

- Share recent or upcoming events
- Review the combining work completed by the two Community Working Groups in March
- Review any questions about the feedback received since March meeting
- Receive public comment on recommended management actions
- Continue applying the feedback to strengthen the recommended management actions
    - Consider archiving some recommended management actions based on feedback and discuss any proposed for archiving that the Community Working Groups would like to revise/augment and keep (review homework)
    - Revise or augment recommended management actions that feedback suggested need more detail (review homework)
- Demo the beta version of the spatial planning tool, and discuss plans to use the tool at the May and June meetings
- Review the list of recommended management actions the group will work on with the spatial planning tool, and determine the order in which to tackle them (A limited number can be worked on in two meetings)
