

**OUR FLORIDA REEFS**  
**South Community Working Group Meeting**  
**Nova Southeastern University Oceanographic Center**  
**8000 N Ocean Drive, Dania Beach, FL 33004**  
**March 18, 2015**

**PARTICIPANT AGENDA**

**~ Meeting Objectives ~**

- Review overall OFR process and timeline, and highlight plans for the coming months
- Share recent or upcoming events (current events)
- Review comments and feedback from the SEFCRI Team and TAC on management actions
- Receive public comment on management actions
- Begin to apply the feedback to strengthen the management actions
  - Work in small groups to consider combining management actions in specific subcategories
  - Work as a large group to consider how it might be possible to combine place-based management actions
- Preview plans to use the spatial planning tool at the May and June meetings, and gauge interest in Marine Planner refresher webinar trainings for interested CWG members
- Finalize the narrowed list of management actions the group will work on with the spatial planning tool (A limited number can be worked on in two meetings)

~ Wednesday, March 18, 2015~
